LUGGAGE SERVICE RATES SEASON 2025/2026

Takes in loading of baggage from the foot of the gangway to the luggage room or place designated for their organization, as well as receiving and sorting luggage for transfer to the foot of the ship. Included:

- The mechanical means for moving from the foot of the gangway to the luggage room or place designated and vice versa.
- The use of conveyor belts for transportation from the ship to the edge of the pier and vice versa.
- The storage of baggage in the luggage room or place designated for their organization for withdrawal by the passenger.

You may request the following way and with the following requirements:

- Monday to Friday from 08:00 to 14:00 via e-mail to servicios@sepcan.com
- Indicate the number of passengers (pax) which will land and/or board as well as departure times from the port and/or arrival there. It would be convenient to add how the ship has organized the baggage sorting: for flights, decks or by colors. And if there are early departures or any other circumstances that are relevant to the service organization.
- A minimum of 7 days prior to the provision of it will be required.
- To be confirmed more than 1 day prior to provision of the service and until 12:00 hours on Friday or the previous business day to a holiday, if the service were to be carried out on Saturday or Sunday or a bank holiday.

It will be billed at the rates in the following table:
